Contact our military heroes at [AnySoldier.com](#)

I want to let your readers know about a wonderful Web site called AnySoldier.com. The troops e-mail pictures and letters directly from the war zone to us, the American people. They have volunteered to protect us and are sacrificing so much.

From AnySoldier.com, you can get addresses for soldiers, Marines, airmen, sailors and coast guardsmen.

The holidays are coming up, and it will be that much harder being away from their family and friends. Please take a few minutes to visit this Web site. All it takes is a 39 cent stamp to mail a letter just to say "Hello."

This would be a great project for school children, churches, clubs, etc. There is no politics involved with this Web site.

These young men and women are just doing their job to the best of their ability. They mention so many times in their e-mails how lucky we are to live in the U.S.

If anyone has any questions, they can call me at (337) 406-9647. Remember, "Freedom Isn't Free."
